President's Letter

Spring and Summer are busy months for members of the OCAPL. We have our Fishing Tournament, followed by the Golf Tournament and we conclude the summer with the Sporting Clays Tournament.

The 2012 Fishing Tournament was a record attendance and a huge success! The weather was perfect and the turnout was fantastic. Everyone received an outstanding door prize due to the overwhelming support from our sponsors. With the recent passing of Will Doty, the tournament lost a wonderful person and perennial winner of the first place Crappie category. It was especially rewarding to unveil the new trophy for this category as the Will Doty Memorial 1st Place Crappie trophy which went to Frank Muskrat. Breleigh Upchurch, daughter of member Gary Upchurch won first place in both the Sand Bass and Striper categories with 10.30 pounds and 9.10 pounds, respectively. She could not have been more excited and we were excited for her! Russ McPherson won the “Big Fish” category with a 4.90 pound Buffalo. Chairman Jeff Brooks would again like to think all the generous sponsors and members of the committee for making this year’s tournament a big success!

The Golf Tournament committee, led by Chairman Richard Standage, did an outstanding job putting on a first class tournament at 4 courses, Oak Tree (2 courses), Gailiardia and Fairfax. As with the Fishing Tournament, the weather was perfect. The demand for entry in this tournament was huge. The committee worked to add another course to help accommodate the increased demand. As with all of the tournaments that OCAPL makes available to our membership, we strive to keep the quality of the events where they have been, but also we want to do our best to meet demand.

The Sporting Clays Tournament is scheduled for August, and there is no doubt that entries will fill up fast for this tournament, so don’t delay getting your entry form and check in as soon as registration is open! Hopefully the weather will cooperate!

I hope everyone has an enjoyable summer and try to stay cool!

Regards,

Julie Woodard

AAPL Field Landman Seminar

On April 12, 2012 we had our first Field Landman Seminar for 2012 and it was filled to capacity. AAPL registered 169 people online and we had at least 20 more walk-ins. Brent Schrieber, the AAPL representative, indicated this was (by far) the largest Field Landman Seminar the AAPL has had to date.

We would like to thank those who attended, our speakers, J. David Hampton and Darrell Nobleett, Willow Creek Golf and Country Club and of course to the AAPL for making this event possible.

Dave had a very interesting presentation on the County Clerk’s Offices ~ your rights as a landman to have immediate access to the records, the right to reproduce those records and the right to have a suitable place to perform your job. The other side of that coin is that with those rights comes a responsibility.

As Landmen we should remember that we are guests in the County Courthouses and Abstractors place of business and we should act, dress and respect their records, staff, office and other people trying to perform a job.

Darrell gave his Cowboy Ethics presentation and for most of the landman this was probably the first time they have heard discussion on this topic. I personally never get tired of it and it is always nice to be reminded of our ethical and moral responsibilities. The 10 Rules to Live by are not exclusively for your job, but should be carried into your personal lives.

The Field Landman Committee expects to put another seminar on the second or third week in October 2012 so watch the Newsletter and Website for details. Thanks also to Frank Muskrat for taking these pictures and many more that are posted to the website.

OCAPL 2012 Field Landman Committee ~ Mike King, Jim Oliver and Amy Love
The OCAPL’s annual Sporting Clays Tournament will be held on Friday, August 31, 2012, at Silverleaf Shotgun Sports near Guthrie, OK.

With the continued support of our gracious Sponsors, this event has grown to its capacity of 400 shooters and historically fills within days of the opening of general registration. This is the only letter or e-mail that you will receive concerning Sponsorship of this event. We sincerely view this as an invitation to Sponsor and join us for a great lunch, fellowship with old friends and new, as well as a round of Sporting Clays. Who could ever ask for more.

This year you may notice a couple of changes. They include your ability to SPONSOR A TEAM. Sponsored Team Registration forms are attached. Another change, designed to better serve the OCAPL membership is that Guests (non OCAPL members) will only be allowed on Sponsored Teams. Those teams will be allowed up to 2 Guests per team. Should you have more guests than that, please contact a committee member. We will all be more than happy to assist your guest in becoming a member of the OCAPL.

Every shooter receives a door prize, a fantastic lunch prepared by Chesapeake, a paid round of Sporting Clays, shells and participation in one of the region’s best networking sessions for Land Professionals. To encourage membership in the OCAPL, only OCAPL members will have a 1 in 10 chance to win a Rifle or a Shot Gun. Guests will receive a very nice gift, but are encouraged to join our membership so that they to can be in the drawing for the guns and the nicer door prizes.

Please find the attached Sponsorship form and the new Team Sponsor form. Should your company desire a more direct form of recognition, please contact a committee member. We will all be more than happy to help.

REMEMBER: ONLY Sponsored Team Registration forms will be accepted before June 30th. Member Registration will open at 9:00am on the 9th of July.

Thank you for your continued support.

Noble has put over $1.4 billion dollars in the hands of royalty sellers in Oklahoma and 29 other states in the USA

These funds have enabled landowners to make a positive and immediate impact on their families and in their communities.

Noble offers royalty owners choices at full value
Our offers accelerate current and future well results for families and offer sound financial options in the form of cash.

Families control the results and realize the tax benefits
Sellers pay Capital Gains (15%) today VS. Ordinary Income rate (35%) • A 20% real-time benefit and possibly more if tax rates increase.

Noble understands the unique needs of families in managing their financial objectives
In selling, family estates receive the benefit of certainty now so they may plan their future with confidence.

Live by design, not by default
Learn how selling your royalties can help you take control of your future.

REAGAN RESOURCES, INC., is poised and ready to meet the demands imposed on the domestic oil and gas industry as a result of the current economic climate and stringent environmental regulations. By using our services you will be assured of retaining a company that has maintained an active and successful service for over twenty years.

REAGAN RESOURCES, INC., is a full service petroleum land company providing:

- Detailed and Cursory mineral and leasehold ownership reports
- Acquisition of oil and gas leases and leasehold interests
- Due diligence for production acquisitions and pipeline system acquisitions
- Digital Imaging
- Bureau of Indian Affairs leasing, permitting, regulations, and procedures
- Surface damage negotiations and appraisals under the Surface Damages Act
- Well site and locations checks
- Pipeline rights-of-way acquisition and Seismic permitting
- Cellular tower sites
- Wind, Solar, and Hydro energy
- Title curative, Title requirements
- Federal, State, County, and Municipal drilling permit acquisitions
Continental Land Resources, LLC is one of the largest independent energy land-service companies in the Mid-Continent region. Headquartered in Edmond, Oklahoma, our primary operations include lease acquisition and the determination of mineral ownership as well as many other land services. With strategically placed offices across the country, we are currently providing these services throughout the Barnett Shale, Haynesville Shale, Marcellus Shale, Anadarko Basin, Appalachian Basin, Permian Basin, Mid-Continent, and Texas Gulf Coast areas of the United States.

Our company is dedicated to efficiently providing superior services by using the most skilled people and latest technology possible. This is primarily implemented through our specialized departments and includes a management team with every person having at least 20 years experience. With these proven strategies, we will remain effective in our business and competitive in our industry.

Services:
- Lease Availability Check
- Digital Imaging
- Detailed Ownership Report
- Full Service Title Plant
- Lease Acquisition
- Title Curative
- Mapping
- Right-of-Way
- Seismic Permitting
- Wind Energy Easements
- Due Diligence
